# Journal of Plant Research | Manuscript Submission

- Go to https://www.editorialmanager.com/jpre/ and log in to the system via Author login
- Follow the 6 steps to complete your submission:

1. Article Type Selection

2. Attach Files

Select an appropriate item type for each file that you upload:

Manuscript

For the initial submission, upload **only one clean copy of the main document** (a file without any tracked changes). For revisions, the manuscript file may contain tracked changes.

Supplementary Information (only for review)

Use this item type to upload any files that are relevant for the peer review, but not for publication (e.g. in case of resubmission of a previously rejected manuscript, upload a clean copy as "Manuscript" and a tracked copy as "Supplementary Information (only for review).

3. General Information

Classification - Please select the same subject area as you indicated on the cover page.

4. Review Preferences

Suggest at least 5 potential reviewers (including 2 who are not Japanese, and at least 1 from the editorial board members).
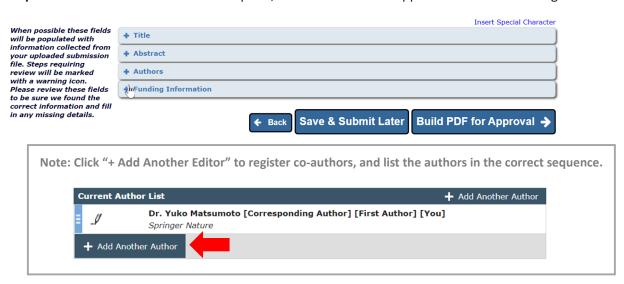

5. Comments

Enter or past your cover letter.

Please provide the requested information.

Enter Comments

Insert Special Character

Please enter any additional comments you would like to send to the publication office. These comments will not appear directly in your submission. **Enter or paste your cover letter text into the box below.**

Required *

6. Manuscript Data

Make sure that your manuscript data are correctly entered, and are **the same as in the manuscript**, **including the sequence of the co-authors.** Once complete, click "Build PDF for Approval" at the bottom right corner.

When possible these fields will be populated with information collected from your uploaded submission file. Steps requiring review will be marked with a warning icon. Please review these fields to be sure we found the correct information and fill in any missing details.

Springer's JEO Assistant (JEOA) will perform initial checks on your manuscript before moving it to the review process. The manuscript may be sent back to the author if there are any formatting issues. If you have any questions that cannot be resolved by contacting JEOA, please contact **Springer's Publishing Assistant**.
