

Annals of Nuclear Medicine

Certification Form:

Conflict of Interest Acknowledgment, Certification of Coauthors, and Exclusive Publication Statement

Manuscript title: _____

The first author, signing on behalf of all coauthors of this article, attests that all of the coauthors have contributed significantly to and share in the responsibility for the release of any part or all of the material contained within the article named above. The undersigned certifies that (1) this material is new, original, and has not been submitted to another publication for concurrent consideration, (2) the author warrants that he/she has obtained any necessary permissions for re-use of copyrighted figures or other material, (3) all human and/or animal studies undertaken as part of the research from which this manuscript was derived are in compliance with the pertinent regulations of the institution(s) involved and with generally accepted guidelines governing such work, and (4) all financial or other relationships that could be construed as a potential conflict of interest have been disclosed using the particular form (Form 2, which is posted on the ANM web site) at the time of submission, and all sources of financial support for this study have been specified and noted in the acknowledgments.

In cases where no regulated conflict of interest exists for all coauthors, the corresponding author may so declare on behalf of all coauthors. In addition, wording such as "No potential conflicts of interest were disclosed" is inserted in the Acknowledgements section of the article.

I certify that no conflict of interest exists in relation to this article. (*Please indicate with a checkmark in the box.*)

First Author

Printed Name/Date

This agreement must be signed by the first author, on behalf of all coauthors of this article, for the manuscript to be published.
