

Journal of Anesthesia
Notification for revision of Instruction for Authors

Since the length of the manuscripts for “Letter to the Editor” should be limited to one printed page, we will revise the Instruction for Authors from Jun. 1, 2013 as below:

I.

Submission categories

(Unchanged)

Letters to the editor are brief letters addressed to the Editor. The title of the article should be not more than 60 letters including spaces. The number of authors should be limited to 3. Only one academic affiliation of each author and an e-mail address of the corresponding author should be provided. Begin the article with “To the Editor:” Keywords should be limited to 70 letters including spaces and middle dots. Tables and figures may be included, but they will be published as “Electronic Supplementary Material” which is explained in the following of this document.

II.

Manuscript format

(Unchanged)

Maximum length:

(Unchanged)

Letter to the editor 2000 letters, including header, article note, references, conflict of interest, acknowledgment.
