

Prerequisites for Publication

Authorship: The Editors of *General Thoracic and Cardiovascular Surgery* adhere to recommendations of the International Committee of Medical Journal Editors [<http://www.icmje.org>] regarding criteria for authorship.

Accordingly, each person listed as an author or coauthor for a submitted report must meet all three criteria. An author or coauthor shall have:

1. Conceived, planned, and performed the work leading to the report, or interpreted the evidence presented, or both;
2. Written the report or reviewed successive versions and participated in their revision;
3. Approved the final version.

Meeting these criteria should provide each author with sufficient knowledge of and participation in the work to allow him or her to accept public responsibility for the report.

Certification: This Certification Form should be signed and submitted with the manuscript. The senior or corresponding author is requested to certify that all listed authors qualify for authorship according to the above three criteria. The author(s) should also certify that: no part of the work described has been published before; that the work is not under consideration for publication elsewhere.

Animal and human research: Research involving humans must be carried out in accordance with the ethical standards of the responsible committee (institutional or regional) or with the Helsinki Declaration of 1964 and all subsequent revisions. Studies involving animal experimentation must include a statement of compliance with the guidelines as recommended by the Science Council of Japan or the National Research Council's criteria (NIH No. 86-23).

Conflict of Interest: All authors must disclose any affiliation with or financial involvement in any organization with a direct financial interest in the subject matter or materials discussed in the manuscript.

General Thoracic and Cardiovascular Surgery Conflict of Interest Disclosure Statement

Manuscript Title: _____

Each author is required to complete and return this form to the corresponding author.
(Please do not send to the General Thoracic and Cardiovascular Surgery office)

When submitting a manuscript to *General Thoracic and Cardiovascular Surgery*, all authors are required to disclose any financial relationship with a biotechnology manufacturer, a pharmaceutical company, or other commercial entity that has an interest in the subject matter or materials discussed in the manuscript. The matters requiring disclosure are outlined in “Guidelines for Conflict of Interest Issues Related to Clinical Studies of Thoracic Surgery” (<http://jats-e.umin.jp/journal/pdf/jatscoi.pdf>).

In a manuscript submitted to *General Thoracic and Cardiovascular Surgery*, all disclosures should be inserted by the corresponding author in the “Conflict of Interest” before the reference list, as shown in the following example. The Conflict of Interest statement should list each author separately by name:

Conflict of Interest Statement

A (author name) serves as a consultant to Z (entity name); B’s spouse is chairman of Y; C received a research grant from X; D received lecture fees from V; E holds a patent on U; F has been reimbursed by T for attending several conferences; G received honoraria for writing promotional material for S; H has no conflict of interest.

If you, your spouse, or other immediate family member has any of the listed relationships with a commercial entity that has an interest in the subject matter in your manuscript, please refer to the JATS’s definition for conflicts of interest which must be disclosed (<http://jats-e.umin.jp/journal/pdf/jatscoi.pdf>). And then, check the appropriate "Yes" box below and provide details. If the listed relationship does not apply to you or your family member, check the appropriate "No" box.
