

----- Mandatory Questionnaire for authors submitting to journal

- 1) What is the research novelty that you are presenting in your paper? Please give a short answer with no more than 50 words.
- 2) What is the context in which your work has taken place? Please give a short answer with no more than 40 words.
- 3) Why do you think that this journal is the appropriate journal for your publication? Please give a short answer with no more than 40 words.
- 4) Who of the members of the editorial board, do you think, would be an appropriate reviewer and why? Please give a short answer with no more than 40 words.
- 5) Is your contribution more on the theoretical or more on the practical side? Please answer with no more than 30 words.
- 6) What case study(ies) have you considered and why did you choose it (them)? Please answer with no more than 40 words.
- 7) Have you published already related results? If so, please state in which respect(s) this paper exceeds previous work (with no more than 40 words).

---- End of Questionnaire

Dear Author/s,

please submit answers to all questions with submission of your paper, as stated at the end of each question. It is mandatory for submission.

Thanks a lot!

Best regards,

Sabine Glesner
